Committee Members:
  Gerald Dujsik, Chair, 2003-2004
  Jim Lander, 2003-2003
  Jean Demas, 2003-2004

Committee Charge:
  1. Review the Awards section of the Midwest Chapter website.
  2. Provide information to the library community about available awards.
  3. Investigate the feasibility of a research award.

Activities:

The Awards section of the Chapter web site has been revised to include current information about the Award for the Advancement of Health Information Management and the Annual Meeting Scholarships.

More and earlier advertising of the availability of the awards will be necessary next year. No applications for the Award for the Advancement of Health Information Management were received.

Two successful candidates have been awarded the Annual Meeting Scholarships. They are:
  Richard McGowan
  Deirdre Rawls.

The Committee still has to investigate the feasibility of a research award.

Jim Lander will represent the Committee at the Fall Board.

This report is informational and requires no action.
