Representative at Large Report – Nancy O’Brien

Objectives:
1. Attend scheduled Board meetings and the annual conference.
2. Communicate and inform librarians and library school students about the benefits of joining the Midwest Chapter/MLA and encourage membership.
3. Inform health science librarians in Iowa about Chapter activities and report their concerns to the Executive Board.
4. Serve on Midwest Chapter/MLA committees as requested (including Membership Committee and Publications Committee).
5. Revise and distribute the Representative-At-Large brochure.

Activities:
1. Attended the spring Board meeting in Chicago.
2. Promoted Chapter membership to local librarians interested in the health sciences.
3. Contacted the University of Iowa Library School to include links to MLA and the Midwest Chapter/MLA web sites.
4. Redesigned and updated the Representative-at-Large handbook—new edition to be printed in January 2004 to include new Board members and additional library schools.

This report is informational and requires no action from the Board.
