Guests: Nancy Allee, Mary Congleton, Brian Finnegan, Mary Markland, and Janet Stith.

Not Present: Linda Bunyan, Carol Galganski, Lora Gault, Ed Holtum, Stephen Johnson, Kathy Skahl, and Winn Theirl.

1. Call to Order: Eileen Stanley

The meeting was called to order by the President at 4:11 p.m.

2. Introductions & Review of Agenda: Eileen Stanley

Motion, approved: Accept the Fall Executive Board Meeting agenda as proposed. [Motion by Carole Gilbert]

3. Review and Approval of Minutes: Deb Lauseng

3.1. Spring Executive Board Meeting

Motion, approved: Accept revised Spring 2006 Executive Board minutes as corrected. [Motion by Chris Shaffer]

3.2. Chapter Annual Business Meeting

Reviewed corrections for Fall 2005 business meeting (vote to be taken during Monday business)

4. Reports from Officers -- *Note: All reports available from the Chapter web site.*

4.1. *Immediate Past-President: Sheryl Stevens*

Report: Have rough outline and draft of policies & procedures manual based on materials pulled from present Bylaws. Need to clearly specify the distinction between bylaws, policies, and procedures. Considering placing the Manual on the web with multiple sections (web pages) providing editing options for individual Board members. The online Manual can incorporate a link to the MLA Chapter Chair manual, a calendar of reporting dates, and an appendix of useful links. The goal is to have the Immediate Past President oversee the annual review and update of the policies and procedure manual.

Action Item: Sheryl to send out requests to all board members for any record (electronic or otherwise) of duties, responsibilities, or procedures that exist for each office. If there is no manual or documentation available, please let Sheryl know. (Any hand-written or original documents need to be sent to the Archives Chair.) All documentation needs to be submitted to Sheryl within one month. New Committee Chairs will be helping get this new manual in

DRAFT

place. The plan is to archive everything that exists now, and move forward with the new procedures manual.

4.2. President: Eileen Stanley

Announcement: Policies & Procedures Taskforce members will be Mary Markland, Sheryl Stevens, Eileen Stanley, Chris Shaffer, Pam Rees, and possibly the archivist.

4.3. President-Elect: Chris Shaffer

The Spring 2007 Board Meeting will be held at the Ebling Library, University of Wisconsin on March 16.

4.4. Treasurer: Marlene Porter

Revised Financial Statement dated Oct. 6, 2006 was submitted. Note slight change in the ending balance than in the report sent out Sept. 25, based on revised budget from Spring Board Meeting. Using the Chapter checking account for the Annual Conference, thus the temporarily high balance since Conference expenses have yet to be paid. Bottom-line, though the year's budgeted amount shows a negative projection of \$7,000.00, the Chapter still has a healthy account balance.

Action Item: Marlene will send reminders out about all budget requests for 2007 are due by Jan. 31st. The budget will be presented at the Spring Board meeting.

4.5. Secretary: Deb Lauseng

Informational, no action required.

4.6. Membership Secretary: Bette Sydelko

Informational, no action required.

Special note: Midwest Chapter has 21 student members this year plus another 10 new members.

5. Reports from Representatives-at-Large -- *Note: All reports available from the Chapter web site.*

Three incoming Representatives-at-Large in attendance: Nancy Allee, Mary Congleton, and Brian Finnegan. Other incoming Rep-at-Large is Nancy O'Brien.

6. Reports from MLA Chapter Council Representatives -- *Note: All reports available from Chapter web site.*

6.1. Chapter Council Representative: Carole Gilbert

DRAFT

Motion, accepted: Moved to place into the Awards Committee budget for next three years funds for 4 people (2 by donation to MLA, 2 to Midwest Chapter members) to attend Chapter Sharing Roundtables at MLA. Awards Committee Chair to monitor funds. [Motion from Committee]

6.2. Alternate Chapter Council Representative: Ram Rees
Informational, no action required.

7. Reports from Standing Committees -- *Note: All reports available from Chapter web site.*

7.1. Annual Meetings Committee: Donna Barbour-Talley

Report: Ohio in the rotation schedule for 2009 meeting. Ohio is having difficulty pulling together a local Program group. Bette Sydelko will discuss options with Ximena Chrisagis, OHSLA President, during their upcoming fall meeting next week. Donna to also share what assistance is available for planning and hosting an annual conference.

Discussion: Michel Atlas, 2006 Program Co-Chair, raised the question of what was the purpose of having the Program co-chairs on the Board? Program co-chairs have provided the Board with important annual meeting planning information, particularly financial. They are not required to be at the Spring Board meeting as long as report has been submitted.

7.2. Archives Committee: Lora Gault

Reminder from Eileen: Board members need to regularly submit reports and other documents to the Archives. We still need to address how to document business conducted between Board meetings, particularly in electronic format.

7.3. Audit Committee: Rick Brewer

Informational, no action required.

7.4. Awards & Scholarships Committee: Elaine Skopelja

Report: Web site updated to reflect Jean Sayre Innovation Award.

Recommendation to Board: That the Awards Committee have representatives from both hospital and academic librarians.

Eileen encouraged everyone on the Board to put forth nominations for the various awards. It is much easier for the Committee with multiple applications to review.

7.5. Education Committee: Frances Cockrum

Report: Responsibilities and duties will be changing with the new committee.

7.6. Finance Committee: Marlene Porter

No report

Action item: Continue investigation of insurance options.

7.7. Governmental Relations Committee: Julie Schnieder

Informational, no action required.

DRAFT

7.8. *Membership Committee: Bette Sydelko*
Informational, no action required.

7.9. *Nominations & Elections Committee: Joan Zivich*
Report: Joan stated that this year her experience was delightful; everyone agreed to run and serve. Received much assistance from Bette Sydelko and couldn't have handled the electronic balloting without her. Received the recommendation to provide candidate biographies with the ballots.

7.10. *Publications Committee: Clare Leibfarth*
Report: MIDLine is moving to a blog format, which is much easier to produce. Also, looking for people willing to contribute to Annual Conference Blog.

Eileen gave kudos to Clare for creating and updating the Conference Blog
<<http://65.181.189.143/ConferenceCall/>>

7.11. *Technology Committee: Allan Barclay*
Report: Need to move Chapter web site off the present GMR office server due to reliability issues. Have already established a back-up copy of the web site. Does the Board want to consider a web site redesign—including the code, structure and design, while making the move to a new server?

Action Item: Allan to survey the membership. Consider open blog for members. Allan to work through proposed changes (code, structure, and design) and have ready by the Spring Board meeting.

Motion, approved: Moved that the current Technology Committee chair develop for implementation a new Midwest Chapter web site on or before the Spring 2007 Board Meeting. [Motion by Chris Shaffer.]

8. Reports from Ad Hoc Committees and Special Appointees -- *Note: All reports available on Chapter web site.*

8.1. *Bylaws Committee: Melinda Orebaugh*
Report: Have received only a few comments on the proposed Bylaws, including congratulations on the excellent work. Planning on reading and addressing the Bylaws, article by article, at the Business Meeting. Bette Sydelko will have crew available to count attendees present to determine what a 2/3 vote would be. To encourage people to stay, agreed to do the Free Membership drawing at the end of Bylaws business, must be present to win.

Bylaws will be voted on during the Monday Business Meeting, starting at noon.

8.2. *AHIP Liaison: Frances Cockrum*
Informational, no action required.

Note: Shared request from MLA to complete AHIP survey. Information about survey was distributed and will be available at AHIP table.

8.3. *Benchmarking Chapter Enhancer: Linda Bunyan*
No report.

DRAFT

Discussion: The role of Benchmarking Chapter Enhancer was established by MLA mandate. There have been no activities, within the Chapter or from MLA. Eileen asked the Section Council Representative to find out if this appointment still needed.

9. Reports from Annual Program Coordinators -- *Note: All reports available on Chapter web site.*

9.1. Kentucky (2006): Michel Atlas/Laura Davison

Report: Welcome to Kentucky! Updates: predict will break even on conference expenses, have 215 total registrants including speakers, vendors, and exhibitors, have 83 CE registrants (9 not attending conference). The conference planners' wrap-up meeting will be Tuesday afternoon.

9.2. Omaha/Iowa (2007): Chris Shaffer and Ed Holtum

Report: 2007 joint meeting with the Mid-Continental Chapter scheduled for October 12-16 will be held in Omaha. The theme will be "2007 License to learn/license to lead". Attended joint planning meeting in April where much was accomplished. A copy of the joint report was distributed.

10.2. Online voting

Again, MLA asking whether Midwest Chapter wants to participate with the online voting option. Response is to keep distributing the ballots electronically, but wait on the online voting particularly due to the cost.

11. Announcements

11.2. MLA Annual Conference, 2008 is in Chicago. Jim Shedlock is looking for local arrangement assistance (and you don't need to live in the Chicago area).

Respectively submitted, Deborah Lauseng, Secretary

Annual Business Meeting
Midwest Chapter/MLA
Louisville Marriott Downtown
Louisville, KY

Monday Oct. 9, 2006 12:30 p.m. – 2:00 p.m.

Announcements:

Extend our appreciation to the 24 vendors participating in this year's Midwest Annual Conference.

Available at the tables: A few copies of the agenda and the 2005 business meeting minutes, several copies of the Bylaws (current, proposed, and model), plus the continuing education survey.

Bette Sydelko, Membership Secretary, confirmed presence of a quorum in order to conduct business.

1. CALL TO ORDER -- Eileen Stanley

At 12:55 p.m. the 2006 annual business meeting of the Midwest Chapter, Medical Library Association was called to order.

2. INTRODUCTIONS -- Eileen Stanley

Acknowledge special guest present: Jean Shipman, President, MLA

3. 2005 ANNUAL BUSINESS MEETING MINUTES -- Deborah Lauseng

Motion, Approved: Accept revised 2005 Annual Business Meeting minutes. (Motion by Ruth Holst)

4. BYLAWS REVISION REVIEW & VOTE -- Melinda Orebaugh

Count of members present sufficient to proceed. Note, 2/3 of members in attendance are needed to vote on Bylaws amendments.

Thank you to Kelly Kaneshiro, Barb Bartkowiak, Sheryl Stevens, and Eileen Stanley for their invaluable assistance.

Background: Reason for bylaws review and revision is that our Chapter was out of step with other chapters and the MLA model bylaws. Our current bylaws are over 23 pages and include much procedural information. Therefore the goals of the Review Committee were to align the bylaws to the MLA model bylaws, reduce the size of the Board, streamline business procedures,

DRAFT

revise the representatives-at-large function, and remove policies and procedures into a separate manual.

Motion from Task Force (Committee): Move for adoption of proposed Bylaws.

Discussion:

Motion, approved--unanimous: moved to dispense with the reading of Bylaws articles by article and open Bylaws document to discussion as a whole. (Motion by James Shedlock)

Whole document open for discussion and amendment:

Holly Burt shared thanks for a very good work.

Frank Davis asked about rationale for changing the size of Board. Response: The Board with currently 35 members, including 9 representatives-at-large, is unwieldy; the size is non-conducive to handling business efficiently. Plus Representatives raised questions about what their role were. The proposed structure would have a committee of representatives with one representative as an elected member of the Board.

James Shedlock asked if our current structure was similar to other chapters? Response: Everything except the membership secretary, which we have separated from the recording secretary due to the large membership, and the use of the representatives-at-large.

There are four corrections that need to be voted on one-by-one:

1st: Index: Article IV—Insert Section 3 “Term Limits.” Sections 3-8 then renumbered Sections 4-9.

Motion, approved: Move to adopt amendment as stated (Motion from Committee)

2nd: Article 3, Section 3, Letter G: Strike coma and insert semi-colon.

Motion, approved: Move to adopt amendment as stated (Motion from Committee)

3rd: Article 4, Section 4, letter G: Duties of treasurer: strike “audit committee” and replace with “auditor”.

Motion, approved: Move to adopt amendment as stated (Motion from Committee)

4th: Article 7, Section 1, Letters B & C: Change order of paragraphs, re-label 1c to 1b and 1b to 1c.

Motion, approved: Move to adopt amendment as stated (Motion from Committee)

Vote on Motion from Task Force, Unanimous: Adoption of the bylaws as amended.
Results: Voting 96, affirmative members 96.

President's Report
Spring 2007 Board Meeting
Midwest Chapter / Medical Library Association

- 1) Passage of the new bylaws resulted in the establishment of a new Executive Board along with new committees. The chapter president has the new duty of recruiting and appointing members for all committees. This allows us to ensure that committee membership represents a broad spectrum of chapter membership, in experience, library type and geographic location. Half the chairs and members rotate off the committees each year, providing continuity. Many thanks go to all the people who are willing to give of their time and energy to the chapter! I recruited and appointed members of the committees (attached).

- 2) I appointed a Website Redesign Special Committee, which has been charged with task of evaluation, planning, site-architecture and visual design, implementation, and testing required to relaunch the Midwest Chapter's website. Brian Finnegan, Rebecca Holz and Mary Congleton have graciously agreed to tackle this project, in coordination with the Communications Committee. Among the many goals of the website redesign are to:
 - Improve the visual presentation of the website to Midwest Chapter members and prospective members.
 - Facilitate the ease of navigation for all website users.
 - Incorporate the usage of various new technologies such as blogs and wikis.
 - Improve the functionality of the website in order to meet chapter business needs.

- 3) I submitted the 2006-2007 Mid-Year Report to the Medical Library Association (attached).

Midwest Chapter

This report covers the period from April 2006 through December 2006

Recruitment, Membership, and Leadership in the Profession

As of 9/25/06, the Midwest Chapter/MLA had 441 members, of which 424 are paid members. When last year's Fall Board Report was submitted on 9/09/05, the Chapter had 416 paid members. Student membership stands at 21, a noticeable increase (although not documented) from previous years due to offering free membership. We have 31 members (including the 21 students) who are new to the organization. The 2006 membership reflects good stability when compared with previous years: 416 in 2005, 421 in 2004, 397 in 2003, 422 in 2002. New member profiles were published in MIDLINE, the Chapter newsletter.

Carole Gilbert was named 2006 Distinguished Librarian of the Year. Carole has served the Chapter in many capacities, including Parliamentarian, President and Chapter Council Representative. She has been chair or president of nearly every organization of which she's a member, a leader in local, regional and national associations. In the Midwest Chapter, we know we can rely on Carole to get the job done.

A new promotional brochure was developed and distributed widely.

Two Annual Meeting Scholarships were awarded to encourage new librarians and library school students to participate in the activities of the Chapter. This year's recipients were Maria Melssen and Emily Mazure.

The Jean Williams Sayre Innovation Award was presented for the first time to recognize and encourage professional leadership and achievement. The award was presented to Allina Library Services Knowledge Consultant Group: Eileen Stanley, Jim Bulger, Sandy Tarman, Sharon Kambeitz, Kolleen Olsen, Anita von Geldern, and Pam Barnard; Library Services, Allina Hospitals & Clinics, Minneapolis, MN.

Life Long Learning

Two members received "free lunch" awards to attend Chapter Sharing Roundtables at the Annual Meeting in Phoenix: Ann Combs and Jaime Blanck. Two additional lunches were funded through donation to MLA.

The 2006 Annual Conference of the Midwest Chapter / MLA was held in Louisville, Kentucky in October. The speakers, overall were well-received, particularly Alane Wilson and Betsy Humphreys. The OCLC environmental scan from which Wilson based her report is available at: <http://www.oclc.org/reports/escan/toc.htm>. Her slides will be available on the conference web site shortly. The GMR Technology Forum received high praise. Many people marked it as the best thing about the meeting – "Dale was funny!" Another strong vote came in for the Career Clinic, which was deemed "excellent" by one attendee. Also new was the Technology Petting Zoo which also made someone's "best of" list. The meeting took place during the St. James Court Art Fair which was a hit. Many attendees hopped the shuttle and perused the 700+ vendors

on a blue-sky fall day. “It was great that conference coincided with St. James Art Fair!” The reception at the Kentucky Derby Museum, providing a taste of the bluegrass, was just what some were craving. “LOVED the Derby Museum.” Comments that made the meeting planners feel good. “Very informative. I will use this information in my work.” “Great job! I have lots to think about & work on.” “Really comfortable beds.” (We know what’s important.) Unfortunately, we took some hits, too. One of our downfalls: “What! No chocolate?”

Advocacy

The Government Relations Committee forwarded occasional legislative alert emails to committee members and chapter members (FRPAA, Orphan Works, NIH/NLM funding); sent out letters of support for FRPAA (Federal Research Public Access Act); and monitored support (and lack of support) for FRPAA from academic institutions, publishers, and NGO’s.

The Publications Committee transitioned the newsletter to a blog format, allowing for more dynamic reporting of issues of importance to the membership of the Chapter.

Creating and Communicating our Knowledge

At the 2006 Annual Conference, our contributed papers and posters received overall high marks, including these comments: “The panel discussion on 10/10 on liaison roles” was ranked as a “best of” and “the contributed papers were very informative.” The PowerPoint slides from many of the conference presentations are available from the conference website. Interestingly, two people responded that we should have more invited papers and that we need more diversity among papers. Among the new innovations at the meeting was the conference blog, which one person mentioned as the best thing about the conference. Congratulations to blog editor, Clare Leibfarth! Related to promotion, many liked the weekly conference e-mails, and, once again, the GMRLIST and the MIDWEST listservs remain the best way to get the word out, with MIDLINE a best source for detailed information.

Building a Network of Partners

The Chapter continued its long tradition of collaborating with state, regional and local groups to host its annual conference, and planning continues on the Chapter’s 2007 annual meeting, to be held in Omaha, Nebraska as a joint conference with the Midcontinental Chapter. The conference is co-hosted by the Iowa Library Association Health Sciences Subdivision and the ICON library consortium in Omaha. The conference theme is “Omaha 2007: License To Learn, License to Lead.” On the program are keynote speaker, Dale Lea RN, MPH, APNG, FAAN, National Human Genome Research Institute; Fred Lee, nationally recognized expert and consultant in patient relations and service excellence; and Dr. Loriene Roy, ALA President Elect 2006-2007. The 2008 Annual Conference will be October 17-20 at the Detroit Marriott in Troy, Michigan and is co-sponsored by the Michigan Health Sciences Library Association. The theme is “Vital Signs: Keeping You and Your Library Vibrant and Healthy” (Program Co-Chairs: Sandra Martin and Ellen O’Donnell).

Organization

Revised Bylaws Passed Unanimously! With minor last minute edits, the membership voted unanimously to accept the proposed Midwest Chapter Bylaws during the October 9th annual

business meeting. Melinda Orebaugh, Chair of the Bylaws Revision Task Force, expressed special thanks to Kelly Kaneshiro, Barb Bartkowiak, Sheryl Stevens, and Eileen Stanley for their invaluable assistance.

**Midwest Chapter, Medical Library Association
Spring Board Meeting, March 16, 2007**

**Annual Meetings Committee
Donna Barbour-Talley, Chair**

The Midwest Chapter has three annual meetings in the planning process as well as the completion of the 2006 meeting to report.

2006 Annual Meeting – Louisville KY

The Final Conference Report for the 2006 annual meeting has been received from the planning committee and submitted to the Archives. Recommendations included in the report are being reviewed for inclusion in the Chapter's Annual Meeting Guide or for action by the Chapter. The finances were finalized in February 2007 with a total profit of \$21,722.76. Half of the profit (\$10,861.38) goes to the Chapter. The other half is divided among the three sponsoring agencies, University of Louisville Kornhauser Health Sciences Library, University of Kentucky Medical Center Library and the Kentucky Medical Library Association (\$3620.46 each).

**2007 Joint Annual Meeting with Midcontinental Chapter – Omaha NE
Oct 12-17 – “License to Learn / License to Lead”**

The meeting website is up and running (<http://www.mcmla.org/2007/index.html>) with information about the program, speakers and attractions in Omaha. The deadline for contributed papers and posters is March 15. At least 12 CE courses will be offered, with two more in development. Announcements from the Publicity Committee are being made through the Chapter listserv and there was excellent coverage in the Winter issue of *Midline*. Jim Lander and Chris Shaffer are the co-chairs from the Midwest Chapter.

**2008 Annual Meeting – Troy MI
Oct 17-21 – “Vital Signs: Keeping You and Your Library Vibrant and Healthy”**

The 2008 Midwest Chapter/MLA Annual Conference will be a joint conference with the Michigan Health Sciences Libraries Association (MHSLA). It will be hosted by the Metropolitan Detroit Medical Library Group (MDMLG) and will be held at the Detroit Marriott Troy in Troy, Michigan, about 16 miles north of Detroit. An announcement was included in the Winter issue of *Midline*. The conference chair is Ellen O'Donnell.

2009 Annual Meeting – Columbus OH

A preliminary planning group of Ohio librarians has been working with Group To Go, Inc. on selecting a hotel for the 2009 meeting. They are considering hotels in Columbus with the meeting being held in early to mid-October. The appointment of a conference chair will occur within the next few weeks.

Annual Meeting Finances

The 2006 meeting was the first conference to operate under the Chapter's new policy and procedure for centralizing the annual meeting finances under the Chapter treasury. The Kentucky committee reported difficulties and frustration with the process at the meeting planners session at the end of the conference and in the final report. It appears that some of the complications arose from the fact that the Chapter is not recognized as tax-exempt in Kentucky; the planners chose to purchase a number of items through the hosting universities, which are tax-exempt, and then needed to transfer funds. The 2007 joint meeting is handling finances through the Midcontinental Chapter and the 2008 finances will be handled by the Michigan Health Sciences Libraries Association. In the future, the Annual Meeting Chair and the Treasurer will need to consult more closely with the meeting planning committee on procedures.

TO: President, Midwest Chapter, MLA
Executive Board Members, Midwest Chapter, MLA
FROM: Sue London, Chair, Audit Committee
SUBJECT: Audit Committee Report

The calendar year 2006 financial records of the Midwest Chapter were audited on Tuesday, March 6, 2007.

After a thorough review, all expense reports were documented including invoices, receipts and signature approval of the President, Eileen Stanley. All check disbursements matched the requested amounts and were processed in accordance with designated procedures. Membership and additional incomes were reflected accurately and substantiated with appropriate documentation. In addition, all bank statements and chapter records were reconciled in a timely and exact manner.

In conclusion, I find the records of Treasurer Marlene Porter to reflect the financial condition of the Midwest Chapter.

COMMENTS

- Incorporation expenses were incurred during fiscal year 2006. Tax Form 990 was filed with the MLA in March, 2006.
- Cash and checks were deposited promptly into the Chapter's bank account.
- The Payment Request Form was consistently used for distribution of all payments, providing an audit trail with detailed and descriptive information pertaining to transactions and accounts.
- Organization of accounts and spreadsheets were cross-referenced and easy to follow. Recorded information was easy to track as a result of the Treasurer's accounting system for managing funds.
- The Financial Statement reflects an accurate financial position of the Midwest Chapter.

- Chair reviewed current Award descriptions and criteria, drafted revisions, and solicited comments from committee members on revisions. *Input from the Board is requested before revised documents are posted at Chapter Web site. See below.*

ACTION ITEMS

The Committee Chair will be unable to attend the Board's 2007 Spring Meeting in Madison, WI. However, Committee member and Chapter President-Elect Mary Markland will be in attendance to bring the issues below up for discussion on behalf of the Chair.

- **Annual Meeting Scholarship Award criteria**

Current application criteria (<http://midwestmla.org/awards/schdes.html>) states that applicants may either be students, recent graduates, or Midwest Chapter members who have never attended the annual conference. However, the application materials requested – e.g., transcripts, a cover letter explaining the applicant's interest in health sciences librarianship – are not really appropriate or meaningful to request from an applicant who has never been to a Chapter meeting but has been a practicing librarian for several years.

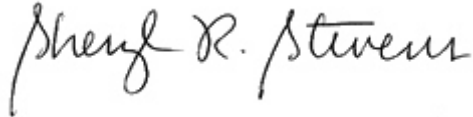

The Committee recommends limiting this Award to students or recent graduates only and clearly defining its purpose to foster and encourage interest in health sciences librarianship. Otherwise, separate application requirements need to be developed for applicants who are not students or recent graduates. For example, such applicants could be asked for a statement on why they are seeking funding through the Chapter rather than through their institution, how they might share information gained with their colleagues, etc. If the Board feels strongly about making this type of opportunity available to Chapter members who are experienced librarians, then perhaps a better solution would be to establish a new and separate Professional Development Award.

- **Distinguished Librarian of the Year criteria**

The Committee recommends re-wording of the purpose of the Award and its selection criteria so that specific emphasis is placed on either significant contributions to the Chapter, *health sciences* librarianship, or both. The current stated purpose of the Award is "to honor a Chapter member who has made outstanding professional contributions impacting librarianship." The current selection criteria states that "candidates should be individuals who have displayed exceptional leadership, collaborative skills, advocacy, organizational abilities, work ethic or mentoring efforts that have made an impact in either the Chapter or within their state's libraries, for a minimum of at least one year."

The Committee recommends re-wording the purpose and criteria statements for this Award to something like: "The purpose of the Distinguished Librarian Award is to recognize members who have made outstanding professional contributions to health sciences librarianship and the Chapter. Criteria used to evaluate nominees include but are not limited to: leadership, scholarship, publication, research, teaching, training, mentoring, professional activities, and/or meaningful and measurable service to the Chapter."

Memorandum

March 14, 2007

To: Chris Shaffer, President, Midwest Chapter/MLA

From: Clare Leibfarth, MIDLINE Editor

Subject: Online publication of conference photos

At the request of the Midwest Chapter Executive Board at their October 2006 meeting, I investigated how other library professional associations handle publication permission from subjects in the public online publication of photographs taken at association activities. I contacted MLA and SLA as well as two other smaller Midwestern library associations which have posted conference photographs online. ALA did not answer my inquiry. My association correspondents noted that at association activities, association photographers are clearly identified and that conference attendees are aware that they might be photographed. None of the associations currently have a stated policy regarding permission to publish photographs online.

Based on our discussions, Lynanne Feilen at MLA and I are suggesting to our associations that there be a photo permissions disclaimer included in conference registration materials.

I suggest that the Midwest Chapter adopt a policy of including the following photograph publication opt-out notice on conference registration materials:

“Photographs taken at the Midwest Chapter/MLA Annual Conference may appear in online chapter publications including the newsletter, blogs, and photo galleries. If you do not wish to have your photograph appear online, please contact the Midwest Chapter Communications Chair.”

Conference attendees who opt-out could then be identified on their badges so that chapter photographers would be aware of their revocation of permission to publish.

Please report these findings and suggested policy to the Executive Board at their March 16, 2007 meeting.

Thank you.

**Midwest Chapter/Medical Library Association
Website Redesign Special Committee Report
Spring Board meeting March 16, 2007**

Midwest Chapter/Medical Library Association President Chris Shaffer appointed the Website Redesign Special Committee. The first task of the committee was to formulate its official charge. A draft was sent to president Chris Shaffer for his review and acceptance.

The second task was to develop a survey tool that would gather input from Midwest Chapter/Medical Library Association membership. Since committee members had experience with SurveyMonkey, this tool was chosen. As of Friday March 16th, there are 106 survey responses.

Based upon this gathered membership input, website design will begin in earnest. The initial goal is to present one or two design prototypes to the Spring Board meeting in order to gather input from the Midwest Chapter/Medical Library Association Board members. Additional site edits will be made based upon the board's feedback.

A web site usability group is being formed. This group will consist of interested chapter members. Their task will be to review the new site with a criteria in mind to determine if the new site meets expected goals in areas of: navigation, color scheme, ease of use, and overall impressions.

The Website Redesign Special Committee is made up of: chair, Brian Finnegan, Marshfield Clinic, Marshfield, WI; Mary Congleton, Southern Kentucky AHEC, Mt. Vernon, KY; Rebecca Holz, UW Madison, Ebling Library, Madison, WI; with technical coordination by Allan Barclay, UW Madison, Ebling Library, Madison, WI.

Respectfully submitted,
Brian Finnegan
chair, Website Redesign Special Committee
