Auditor Committee Report
Barb Gushrowski

The audit on the calendar year 2009 financial records of the Midwest Chapter was completed on Friday, March 18, 2011.

After a thorough review, all financial transactions affecting the Checking Account were documented. Requests for Payments had signature approval of the President(s), Deborah Lauseng or Elaine Skopelja, or Conference Finance Chair, Michael Douglas. All check disbursements matched the requested amounts and were processed in accordance with designated procedures.

Membership and additional incomes were reflected accurately and substantiated with appropriate documentation.
The Ledger was maintained from January 1 – September 9, 2009 and accurately reflects the Chapter’s business for those months. I was unable to locate ledger entries for September 10-December 31.

The checking account statements were reconciled in a timely and exact manner. The Money Market statement for Nov 26-Dec. 23 was not found in the files.

COMMENTS

- Cash and checks were deposited promptly into the Chapter’s bank account.
- The Payment Request Form was consistently used for distribution of all payments, providing an audit trail with detailed and descriptive information pertaining to transactions and accounts.
- Organization of accounts and spreadsheets (both paper and electronic) could be improved upon. At present, all receipts and expenses (paper) from conferences are filed together with all other Chapter business. It may be more efficient to maintain separate files for each of the conferences so that a clear picture of income and expenses for each conference can be found in one location, rather than across one, two, or even three annual reports.

While all transactions must be recorded (electronically) on the general ledger for accurate accounting of Chapter business, a separate spreadsheet (electronic) for each of the conferences is also advised. This will entail entering information twice, but will result in better, more accurate reporting.

- CD2 matured on November 24, 2009 and was deposited into the checking account.
- $10,000 from the Money Market account was also transferred into checking.
- The Financial Statement as posted on the Midwest Chapter website for 2009 (see attached) reflects the financial picture of the Midwest Chapter as of September 9, 2009. The end-of-year Assets numbers are different – see table below:

Committee Goals for 2011:

- Plan and conduct chapter meetings with interesting content at affordable prices for members
- Prepare transition plan to new chair for 2012-2013

The Chapter currently has three annual meetings in the planning stages, one complete and one final report still outstanding:

**2009 - Columbus OH**  
Bette Sydelko & Marlene Porter, 2009 Conference Co-Chairs

In spite of several reminders, a final report has still not been received. The chapter’s procedures call for the reimbursement to the state to be held until the report is received, but this reimbursement did occur already.

**Sept 24-28, 2010 – Madison WI**  
Julie Schneider & Barb Sisolak, 2010 Conference Co-Chairs

The final report was received at the end of December 2010. There have been significant delays in reimbursements from the Treasurer and posting of expenses on the conference ledger, but it appears that a substantial profit was realized. For details, see the summary final report also attached.

**Oct 7-11, 2011 – Indianapolis IN**  
Barbara A. Gushrowski, 2011 Conference Coordinator

Plans are on target for this fall’s annual meeting in Indiana. For details, see the attached report.

**Oct 5-9, 2012 – Rochester MN**  
Donna Barbour-Talley & J. Michael Homan, 2012 Conference Co-Chairs

Committees are being organized for the 2012 annual meeting, although most activity will be delayed until after the MLA conference in Minneapolis in May 2011. J. Michael Homan, Director of the Mayo Clinic Libraries, has agreed to serve as co-chair. A preliminary budget is being submitted to the Treasurer this month to open the 2012 conference ledger.
2013 – Peoria IL
Roy Jones, 2013 Conference Coordinator

The Health Science Libraries of Illinois have decided to host the 2013 annual meeting in Peoria. Roy Jones, Manager of the OSF Saint Francis Medical Center Library & Resource Center in Peoria, has been appointed to chair the conference coordinating committee. They will be working with Group To Go on site selection soon and they have been advised on the dates of the 2013 Jewish holidays for scheduling.

Wisconsin Final Report

The 2010 Annual Meeting of the Midwest Chapter of the Medical Library Association, in conjunction with the Wisconsin Health Sciences Library Association, was held on September 24-27, 2010, at the Best Western Inn on the Park, Capitol Square Hotel in Madison, WI.

The theme was “Step Up Step Forward”. Keynote speakers were Ruth Holst, MLA President, and Dipesh Navsaria, MD, MPH, MLIS. There were two forums, one titled “Librarianship as a Profession: from Student to Retiree” and the Tech Forum, which was completely handled by the GMR representative, Max Anderson on the topic of mobile technology.

Due to the economic downturn, we tried to do whatever we could to keep our expenses low because we had no good sense of what the attendance was likely to be. We based our rates on prior years and wanted to keep them about the same as the previous years’ rates. We sought out local talent as much as possible to cut down on stipends, travel, per diem and other associated expenses with outside talent. We also tried to keep expenses within reason for our special event, and sought out as much sponsorship as possible for food and other costly areas.

There were 23 abstracts for paper presentations submitted and all abstracts were accepted. There were 27 poster abstracts submitted and all were accepted. Two withdrew their submissions for various reasons so the conference had a total of 25 poster displays.

Four continuing education (CE) classes were offered at the 2010 conference providing CE to a total of 37 attendees (one workshop for 8 hours and three workshops for 4 hours). Ten CE courses were offered in the registration packet, but due to low enrollments six of ten workshops were canceled. The
four CE workshops for the conference were all held on Saturday. All classes were well received with high scores on evaluations.

There were 20 paid exhibitors and 2 free exhibits. In addition there were 6 sponsorship gifts. The response was excellent and the vendor list was set by early August. We directly raised $16,545 from exhibitor fees and sponsorships, which was on target for the conference budget.

In addition, the Ebling Library of UW-Madison paid for the printing of the conference program. The $500 honorarium for Sunday Keynote Speaker (Dipesh Navsaria, MD) was used to support his Pediatric Early Literacy Project. Conference Co-Chair Julie Schneider applied for a Professional Development grant award from NN/LM Greater Midwest Region and served as the Principal Investigator. WHSLA paid the $500 honorarium up front and was reimbursed thanks to the GMR. The NN/LM Greater Midwest Region also paid for travel expenses for the three speakers who participated in the Technology Forum. In addition, exhibitors donated a number of raffle prizes, which included 2 iPods, an Amazon Kindle and several $100 gift cards.

The Local Arrangements Committee created a restaurant guide for the event and conducted four special events during the conference. A Saturday morning walk around the Dane County Farmer’s Market on the Square drew no takers as people went on their own. A Sunrise Walk down State Street to the Memorial Union Terrace on Sunday morning drew six hardy librarians out into the dawning day. The Sunday night social event held at the Madison Museum of Contemporary Art. The event featured art, tasty hors d’oeuvres, and a harpist. Over 130 librarians attended this event. We originally planned three Monday night Dine Arounds. Because of low participation, we cut it down to one restaurant. Ten librarians gathered at Paisan’s, an Italian restaurant close to the conference site.

The Publicity Committee designed the conference logo, produced the printed conference program, supplied the conference web master with material for the website, handled signage at the conference and took photographs. A postcard for pre-publicity was used at the 2009 Midwest Chapter meeting. E-mail notices about the conference were distributed through listservs and the state liaisons.

Very fortunately, we were able to borrow much of the needed av equipment from local sources. There were no fees associated with this equipment, which included laptops, projectors, screens, wireless mice, slide advancers, laser pointers, SVGA cables, power supplies, surge protectors, extension cords, whiteboards, markers, etc. Telephone lines, wired internet connections, and equipment stands were obtained from the hotel.

Of the 151 paid registrants, 120 were members of the Midwest Chapter/MLA, 17 WHSLA members, 14 were one-day non-members (11 were additional vendor representatives, 3 on site registrations were non-members of either organization), 10 received complimentary one day registration for participation with either the GMR Tech Forum or the “Librarian Panel” session. The grand total was 161 attendees, not including 18 vendors. (There were probably more WHSLA members in attendance, but they may have registered as Midwest Chapter members.)

Conference bags and badge ribbons were located via the clearance section of Marco Promotions (www.marcopromo.com). I tried to keep the cost for these as economically feasible as possible due to the inability to accurately approximate the number of attendees. A plain red bag with no logo.
embellishment was chosen. Swag, much like the conference bags, was also kept as economically feasible as possible. Vendor donations for the bags were extremely limited due to donations for conference raffle.

We decided to provide the mentor program again this conference. We had 9 people involved, which was an increase from 6 participants at the 2009 annual conference. Due to a previous request that this program be opened to everyone, on the registration forms I asked “I would like to have a mentor,” or “I would like to have a mentee.” This allowed anyone to be involved regardless of length of involvement within the Chapter.

Attendee response, both in person and via evaluation, was largely positive. We did a number of things right. We also had some areas that could have been improved on. We also faced a few situations which tested our flexibility.

Financial information from the Chapter Treasurer is not complete. Total income from the conference was approximately $67,182. Known expenses total $32,929, so it appears that a substantial profit has been realized.

**Program** The keynote speaker and a second plenary speaker are confirmed. Tech Forum is planned and Max is contacting the speakers. Call for papers and posters is being planned. Time and place for Board Meeting is scheduled. Time and place(s) for Board committees to meet is scheduled – they may need to share rooms.

**Publicity** Website is up and running - [http://midwestmla.org/conference2011/](http://midwestmla.org/conference2011/). Content is being added as it is available. The committee will be email Save the Date notices to multiple email listservs to many state organizations as well as Midwest Chapter.

**Registration** The committee has drawn up their technology and supplies needs and is planning the contents of conference packets.

**Exhibits** The committee is compiling a list of vendors to contact and drafting invitation letters. These will go out in May. The committee is encouraging sponsorships as well as booth space.

**Finance & Budget** The committee has completed the budget, below.

- Present/announce/acknowledge recipients of all 2011 awards at Chapter’s Annual Business Meeting on October 10 in Indianapolis, IN.
- Submit spring and fall reports to the Chapter Board.
- Review/revise/update Committee procedure manual at Chapter’s PBWorks wiki site.
- Revise policies and procedures for Distinguished Librarian Award to ensure a recipient each year.

2011 Activities To Date

- Updated all award information except Distinguished Librarian award (which will be revised pending Board approval) and application files for 2011 and routed to Chapter webmaster.
- Assigned each Committee member an award to publicize.
- Began publicizing “Free Lunch” Award.
- Updated Committee’s policies and procedures at wiki site with changes to date.

Discussion/Action Items:

- **Approve modification of official Annual Meeting Scholarship Payment Policy** to remove option of Treasurer registering winner for the Annual Meeting and delivering the balance of the funds.
  - The official policy will be that the winner registers and pays their own costs in advance, and is given a check for the full scholarship amount at the annual meeting. This procedure has been followed unofficially for the past five years, with no winners requesting a different option.
  - New official policy will read: “After notifying Committee members of the results, the Chair subsequently notifies both recipients and non-recipients by the specified deadline. Winners pay their own costs in advance and receive a check from the Chair for the total scholarship amount at the Annual Meeting. The Chair submits a completed payment request form on behalf of each winner to the President prior to or at the Annual Meeting.”
• **Discuss and approve modifications to the Distinguished Librarian Award** to more specifically define it as a service award
  o In the past, the committee has not received any nominations for this award from the membership. The committee feels the scope of the award is currently too broad and intimidating (“outstanding professional contributions to both health sciences librarianship and the Chapter”).
  o South Central Chapter has a “Distinguished Service Award,” which might serve as a good model for tightening the scope and focus of our award: “The Distinguished Service Award recognizes outstanding service to SCC/MLA. Recipients are selected on the basis of their contributions in measurable ways to Chapter achievement and effectiveness.”
  o It makes sense to charge the Awards and Scholarships committee (with ultimate responsibility falling on the Chair) with selecting a recipient each year. If no nominations are received, the committee should identify a deserving nominee and assemble the nomination materials, and follow the procedures for selecting the recipient.

**Communications Committee**  
Jean Gudenas, Chair

**Connection Midwest Blog**

Current Editor for 2011: Amy Donahue

Past year: 48 posts, 25 of which were 2010 Midwest Chapter conference related

**Work accomplished:**

• Jean, Amy, and Allan established a current ConnectMidwest Guidelines & Policies, which is available through the chapter’s wiki.

• The group discussed the best ways to encourage blog interaction and decided that the ability to comment would greatly increase usage. However, people have to create a specific WordPress account in order to comment on postings—even if they already have a WordPress account. Jean, Amy, and Allan agreed to create accounts for interested members by offering the option on the membership renewal forms. Working with Katherine Chew, soon this statement will be on the forms: ConnectMidwest, a blog by and for the members of the Midwest Chapter MLA, is a great way to interact with fellow members. If you are interested in participating, check YES and a Communications Committee member will create an account and promptly send you your username and password.

**Upcoming objectives:**

• Post at least 4 times a month, preferably once a week.

• Discuss creating a readership survey about what chapter members want from the blog

---

**Midline**
Currently, Midline does not have an active editor--both Jean and Elizabeth are serving as the temporary editors. Former editor Elizabeth Smigielski had to step down, although she is still helping with publishing the newsletter.

Midline is published quarterly with the help of frequent chapter contributors, including: Clare Leibfarth, Bette Sydelko, Stephanie Schulte, Mary Taylor, and many more

Work accomplished:

- Elizabeth Smigielski served as editor from February to December 2010.
- MIDLINE moved to a new blog editor, WordPress, which is simpler. The transition resulted in a new template for MIDLINE, which incorporated the masthead of the print newsletter.
- Two issues of MIDLINE were published in 2010.

Upcoming objectives:

- Find a new editor
- Create and adhere to a reasonable publication timeline
- Discuss creating a readership survey about what chapter members want from the newsletter

Web Master

Webmaster: Allan Barclay

Assistant Webmaster: Brian Finnegan

Work accomplished:

- Brian updated the 2011 Executive Board roster page and Elected Officers page.
- Deleted large number of older backup and archived folders from when the web site was redone. Brian was able to significantly reduce the file size of our web site.
- Allan moved Midwest Chapter web hosting from Webmaster to Developer account, to allow self-installation of software (like WordPress)
- Installed WordPress blogs for MIDLINE and ConnectMidwest, tested vs. old software (Movable Type), migrated blog content from both old ones to both new ones
- Allan tweaked/redesigned the blogs with input from Board, Communications Committee after migration
- Administrative work on Chapter wiki

Upcoming objectives:

- Look into TwapperKeeper for archiving tweets
