CCF LibGuide Template: Clinical Resources

Core E-Books

- Find Journals and E-Books
- Library Catalog

Notes

Core E-Books: Put classic books online. Use e-Books whenever possible. Use Doody’s, Matthews, Brandon-Hill & library catalog to help choose books. Add edition after title ex. Title: 21st ed. Add CCF icon to books with Clinical authors (find info in the Notes section of the catalog. Mariene enters it).

Point of Care: Consider using other subject specific resources such as PubMed Health (Specialty), Cochrane (Specialty), CINAHL, NEJM Residents (Specialty), First Consult (Specialty), etc.

Education: Case Files by specialty & Access Review Questions.

Videos: Try checking Access, Clinical Key, Lippincott, etc.

Calculators: Use CCF calculators.

Calculators: EDMcalc specialty calculators
