Facilitating Open Access through Collaboration with Clinical Departments

Jessica Petrey, Clinical Librarian
University of Louisville
Kornhauser Health Sciences Library

Background & Disclosure
Considerations

- People
- Workload
- Finances
- Design
- Content

People

- Department Faculty
- Research Staff
- Technology
- Clinical Librarian
- Repository Coordinator
- Digital Initiatives Librarian
- Endowed Chair for Scholarly Communication

We had no idea what we were doing, but we knew we couldn’t do it alone.
Department
- Operations
- Content
- Reviewers and editorial board
- Processing submissions
- Layout and design...kind of

Libraries
- Hosting & preservation
  - Bepress platform
  - Tech support
  - Assign DOIs

Workload

Funding
- Bepress already in use as Institutional Repository Platform
- Assigning DOIs
- Labor
Outcomes

- Open access
- Relationships
- Collaboration
- Knowledge
- More Work
Thank You!
