

AAP eJournal Collection

Six professional and academic resources in one comprehensive collection from the American Academy of Pediatrics!

**Authoritative Pediatrics Information
for Your Library Collection**

The American Academy of Pediatrics (AAP) publishes medical journals that have a profound impact on the delivery of health care to children worldwide. With the AAP eJournal Collection, your institution's need for new pediatric and subspecialty original research, clinical journal review, and award-winning news is covered! It provides your patrons with a comprehensive site license to 6 journals and periodicals and their eArchives at no additional charge.

Included in the AAP eJournal Collection

AAP News & Journals Gateway
gateway.aap.org

The AAP eJournal Collection has an online home within AAP Gateway, the clinical research and news network.

AAP Gateway lets your patrons easily access all American Academy of Pediatrics journals and periodicals in one convenient place and locate articles with powerful cross-journal semantic search and filtering.

Access is administered through automatic IP authentication or logging on in the upper right corner with your username and password or OpenAthens ID.

Don't wait. Get started today!

The AAP eJournal Collection—consisting of all the titles above—can be ordered as a comprehensive site license.

Your subscription to the AAP eJournal Collection provides access to every American Academy of Pediatrics (AAP) journal and periodical for your entire organization.

Order through your subscription agent or directly through the AAP.
